

MESS HALL PARTNER PROGRAM

The HORSES HELPING HEROES PROJECT is a 501(c)3 non-profit organization that provides equine-assisted activities and therapies to military and first responder veterans facing the challenges of physical, mental and emotional wounds. As part of each class, we serve lunch to all of the veterans and volunteers. **We invite you to join with us in setting the buffet table.**

- *Help plan the menu*
- *Showcase your restaurant*
- *Support a local nonprofit organization*

“One of the very nicest things about life is the way we must regularly stop whatever it is we are doing and devote our attention to eating.”

~ Luciano Pavarotti

How it works: We will provide up to \$80 for the lunch. You provide your creativity in developing a menu that will feed 15-20 people, some of whom are vegetarians. We provide the dessert (unless you want to provide the entire lunch, excluding drinks, for a maximum of \$100).

BECOME A MESS HALL PARTNER

In return, we will recognize you at lunch, on our website, at events, and on Facebook. We will also provide a donation tax receipt (if applicable).
